

Woodside Avenue Methodist Church

I believe.....

You are invited to join a series of six studies based on engaging with the basics of the Christian Faith this autumn. Guided conversations helping you work out what you believe by looking at the Bible and how the church understands it now. These studies will be of particular interest to anyone wishing to become a church member as well as being a chance for all of us to ponder, listen to and learn from each other.

Each study will stand alone so that folks can come to one or more of the series, however the hope is that they will all be of interest to all believers broadening our understanding as we share together. The evenings will include discussion where all will be able to contribute but of course there will be no pressure on anyone to speak. Listening is a good way of joining in!
